

# Lyftogt Perineural Injection Treatment (PIT) Introductory Workshop

(also called Neural Prolotherapy, NPT)

[October 13-15, 2018 in Ferrara, Italy](#)

The European School of Prolotherapy has organized this fantastic International Workshop with Dr. John Lyftogt in a three day intensive course to learn how to treat neuropatic pain and many muscle skeletal instabilities with this subcutaneous perineural injection treatment.

The course will be in English. There will be many different **Active Workshops** and many live patient treatments will be seen during this three day learning workshop. We plan to organize workshop groups of doctors that will divide up into color groups in our teaching labs on a rotation basis so that can acknowledge PIT/NPT in its best elegant way.

The Teaching Faculty will be International:

- Dr. John Lyftogt - (New Zealand)
- Dr. Luciano Bassani - (Italy)
- Dr. Stephen Cavallino - (Italy)
- Dr. Susan Lanza (Italy)
- Dr. Arturo Tricarico - (Italy)
- Dr. Andrea Piccozzi (Italy)
- Dr. Liza Smigel (U.S.A.)

**Cost:** All inclusive for three days includes: All lunches, Gala Diploma Dinner, Educational Material, Tee-shirt, Conference Hall and Coffee breaks. Hotels and transportation at your cost.
